## TEA SELECTION

### OUR BESPOKE BLEND

#### No.1 Park Lane

Flavoured black tea from Sri Lanka using Sri Lankan vanilla and large leave tea from Ceylon, this distinctive scented tea has a sweet and creamy character.

### WHITE TEAS

#### Nepal Spring

From the new growth of the spring's first flush, this delicate white tea consists solely of the silvery and fine tippy leaf and a bud, producing a sweet flavour and flowery aroma. Low in caffeine and high in antioxidants.

#### Spring White with rose buds

Delicate and floral white tea buds from Nepal with the sweet aroma of Iranian rosebuds. This tranquil tea is light and fragrant and the perfect accompaniment to delicate pastries.

#### Silver Needle with jasmine flowers

A blissful combination of Chinese white tea with fragrant jasmine - an ideal blend for relaxing.

### GREEN TEAS

#### Lung Ching Dragonwell

Named after the Dragon Well village in Hangzhou, China, this variety of green tea was once a favourite of emperor Kang Xi. Pressed and fired in a wok, it has a refreshingly sweet and delicate flavour.

#### Sencha

Sencha, or "new tea", is made from the first harvest or flush of spring, full of nutrients developed over their dormancy period in winter. With grassy and vegetal notes, it's an ideal tea to revitalise the mind.

#### Premium Gyokuro

Gyokuro, or "jade dew", is one of Japan's most precious teas. These tea bushes spend a minimum of three weeks in the shade before being harvested, yielding a distinct sweet and grassy flavour.

#### Matcha

A vibrant and smooth green brew that provides a unique experience in the world of tea. With a creamy froth on top, its scent is subtle with a mix of grassy, nutty and earthy notes.

### OOLONG TEAS

#### Dragon Eye

A semi-fermented Oolong or 'Wu Long' meaning 'Black Dragon', is a light-bodied tea, high in antioxidants and delicate buttery notes.

#### Mi Lan Dan Cong

With subtle fruit notes, this smooth Oolong comes from a plantation on the lower slopes of China's Wu Dong mountain. The leaves are fermented and baked, making a rich, floral and honeyed tea.

### BLACK TEAS & BLACK TEA BLENDS

#### Royal Breakfast

This blend has teas selected from the misty hills of Ceylon, known for their brightness and floral notes, and from the lush estates of Assam to bring out malty and rich characters.

#### Royal Flush, Sri Lanka

In 1954, Queen Elizabeth II and Prince Philip made their first state visit to Ceylon, and our Royal Flush black tea is harvested from bushes propagated from the original bush planted by HRH Prince Philip during their visit. This well-balanced Orange Pekoe is bright, delicate and beautifully smooth.

#### Assam Second Flush TGFOP

This Assam tea is notable for its beautiful leaf-style. The rich black tea comes from a single estate in Assam, with the highest tippy leaves, brewing a deep copper liquid with a smooth and malty body.

#### Darjeeling Director's Reserve Namring Estate

A bright, delicate second flush picked from The East India Company's private reserve in Darjeeling's Namring Estate. An abundance of silver tippy leaf, produces the signature muscatel note.

#### The Staunton Earl Grey

Using an authentic recipe, first described by The East India Company's officer, George Staunton, in 1700's China, this tea blends the finest neroli and bergamot oils to create a distinctive Earl Grey.

#### Imperial Qing Lapsang Souchong

From the Fujian province of China, this black tea is dried over a pine fire, to give a sweet, smoky flavour.

#### Traditional Karak

Fragrant ginger and a blend of natural spices of peppercorn, cardamom and cloves give this Sri Lankan black tea intense and warming flavours.

### INFUSIONS

#### Nile Chamomile

This infusion has an apple-like taste, and has been used for centuries for its medicinal properties.

#### English Peppermint

Made from the finest English Mitcham black peppermint, this infusion is fresh and aromatic.

#### Lemongrass & Ginger

A soothing base of spicy ginger with uplifting lemongrass.

#### Tropical Punch

A blend of hibiscus, rosehip and orange peel with sweet tropical fruit aromas.

#### Whole rosebuds

An entrancing, sweet and delicate aroma that makes a light and soothing cup.
